# CLARKS SUMMIT BOROUGH WASTE AND RECYCLING COLLECTION

## RECYCLING COLLECTION IS EVERY OTHER WEEK

### Trash Collection

#### (No change in service)

Trash is collected one (1) time per week on your normal day, Thursday or Friday, depending on where you live in the Borough. Trash should be placed out the evening before scheduled collection date.

### Single-Stream Recycling Collection

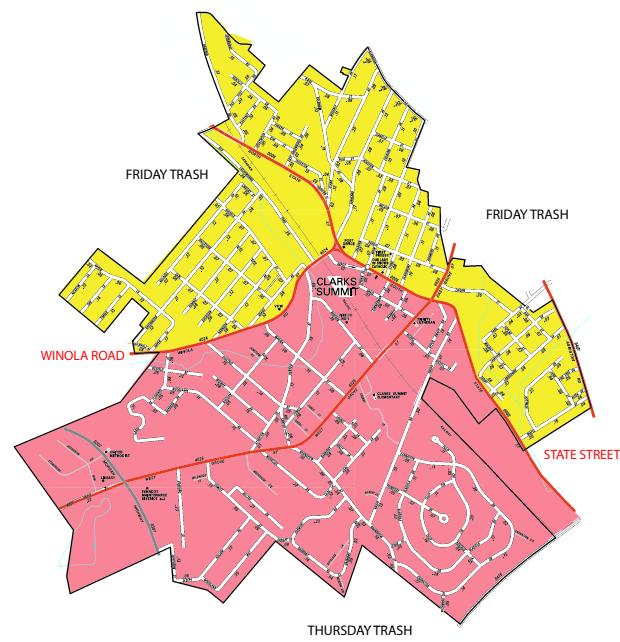

Clarks Summit Borough recycling collection is one (1) time every other week collection. Please follow the calendar and zone map to follow the schedule for curbside recycling collection. Recyclables should be placed out the night before your scheduled collection day.

**Clarks Summit Borough offers "single-stream" recycling program.** Everything that your household recycles will now go in the same container. No need to separate papers, metals, cardboard, glass and plastics, etc.

J. P. Mascaro & Sons will pick up recyclables every other week on

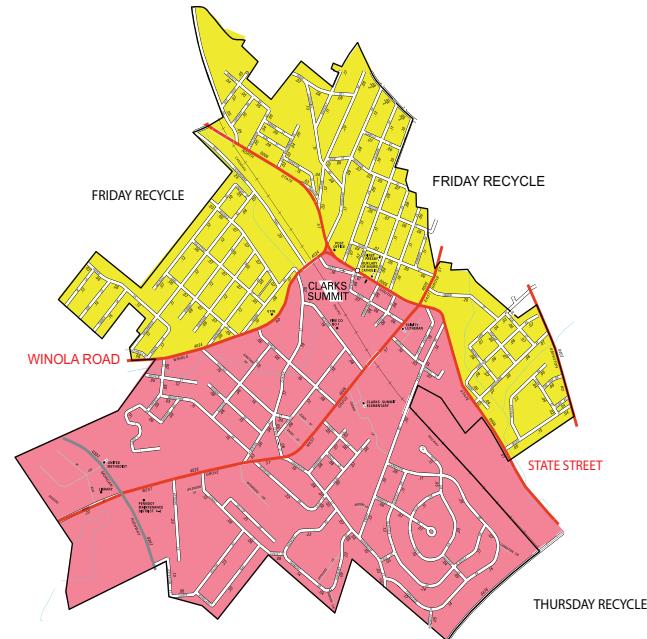

Thursday or Friday with a separate truck that collects recyclables, the truck will only collect recyclables during collection. This truck has a compactor, so more recycling material will fit in allowing for more efficiency.
